## Frequently Asked Questions

- As a beginner, what classes are available to me or my child?**  
 All age appropriate classes other than those listed as "Advanced" which require instructor permission are open to all levels.
- Do I have to commit to certain days of the week?**  
 No, as long as there is space available in class, you or your child can train Monday and Wednesday one week, then Tuesday and Thursday the next, etc.
- Am I limited to a certain number of classes a week?**  
 No, as long as you have Classes available on your Membership, you or your child can train as much or little as you want. You can come 4X one week and then 2X the next, etc.
- Do all classes only cost one class from my Membership?**  
 Yes. There are only a few exceptions; such as Seminars and Competition Training.
- Do you offer Women's Only classes?**  
 Coach Lenna is in most classes. We have a very welcoming environment to women and do not force them to train with the men unless they want to. There are usually other women in class to train with.
- Do you offer private lessons?**  
 We do have very limited time slots available for private lessons. Private lessons are only available to current students. Contact us for details.
- Do you offer Competition Training for people who would like to compete?**  
 Our regular classes will provide everything students need for competition. If Adult students are looking for even more focused training, we do offer Competition training on Wednesday night.
